***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8 December 2004 has been entered.

This application is in condition for allowance except for the following formal matters:

The disclosure is objected to because of the following informalities: a section entitled "Brief Description of the Drawings" is required to appear immediately before the section entitled "Detailed Description of the Invention", listing each figure along with a brief description. Appropriate correction is required.

Figure 1 is objected to, since it shows two different drawings in a single figure.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
